NWCT BOARD OF DIRECTORS ELECTION

Northwest Community Television (NWCT) will hold an election November 23 to December 7 to fill one seat on its Board of Directors. This position is for a two-year term which begins February 15, 2010. NWCT volunteer **Michael Thompson** currently holds the position. The Board of Directors sets policies, adopts a budget and oversees the overall operation of Northwest Community Television. The Board of Directors generally meets quarterly on the third Thursday of the month at 7:30am.

To become a candidate for the Board of Directors you must:

1. Be a resident of one of the nine communities served by NWCT,
2. Be a member of NWCT,
3. Be at least 18 years old by November 1, 2009,
4. File as a candidate by providing a candidate's profile and submit it to Northwest Community Television no later than Friday, **November 13**, 2009.

Sad volunteer news

NWCT volunteer, **Tim Johnson**, passed away suddenly on October 18. He became a member in 2005 and produced the program, "Local Talk," with his mother **Sue Johnson** and friend **Doug Andress**. Tim also crewed on various volunteer programs during the past four years.

Matt does it again!

Fresh off winning this year's Minneapolis 48 Hour Film Project, NWCT studio manager, **Matt Olson**, and fellow producers/crew members (including Drinking with Ian's **Brian Forrest**) have won careerbuilder.com's "Hire My TV Ad!" contest. Not only have they won \$100,000, a remake of their commercial will air during the 2010 Super Bowl! Check out their ad at <http://www.hiremytvad.com/index.php> (Winner #3 Worst Seat).

All candidates must provide a candidate's profile. A candidate's profile is written information of not more than 300 words describing a candidate's involvement with NWCT and stating the candidate's view as to why they feel they can contribute to the success of NWCT. The profile, along with a photo, will be displayed at the studio.

If you plan to file for this Board position, you must submit your candidate profile to the address listed below by Friday, **November 13**, 2009.
